Journal ranking - Wikipedia

Aug 27, 2021 · Journal of Adolescent Health Published online: September 11, 2021 The Efficacy of a Multi-Theory-Based Peer-Led Intervention on Oral Health Among Hong Kong Adolescents: A Cluster-Randomized Controlled Trial

Journal ranking is widely used in academic circles in the evaluation of an academic journal's impact and quality. Journal rankings are intended to reflect the place of a journal within its field, the relative difficulty of being published in that journal, and the prestige associated with it.

JPT Homepage If the journal article has a digital object identifier (DOI), include this in your reference. If there is no DOI and you have accessed the article electronically, include the web address of the journal's homepage in which the article was published in your reference.

Journal article - APA 6th referencing style - Library

The American Journal of Agricultural Economics provides a forum for creative and scholarly work on the economics of agriculture and food, natural resources and the environment, and rural and community development throughout the world. Papers should demonstrate originality and innovation in analysis, method, or application. Analyses of problems pertinent to research and extension are equally

American Urological Association

Since 1998, the journal has been available online via the EUR-Lex service. [citation needed] On 1 July 2013, published issues of the Official Journal began to have legal value only in electronic form, per Article 5 of Regulation (EU) No 216/2013. From this date, the printed version has lost its legal value.

American Journal of Agricultural Economics - Wiley Online

Three-dimensional transesophageal echocardiography (3D-TEE) is more accurate than the two-dimensional (2D) modality for evaluation of the complex anatomy of LAA. However, 3D-TEE analysis of LAA is challenging and highly expertise dependent. In this study, we sought to evaluate the feasibility and accuracy of a novel software tool for automated
